## Installation and maintenance

Fit shower escutcheon (27) and rubber seal (26) through bath. Place dished washer (25) over thread under the bath, fit and tighten backnut (24). Connect knurled end of shower hose (30) to thread under base of diverter tee with rubber washer (28) provided. Feed conical end of hose through escutcheon (27) from below bath and attach to thread at end of shower handset.

### Cleaning:

Clean the product with warm soapy water and a soft cloth. Light deposits of scale can be removed by washing with a diluted solution of vinegar and water in equal parts. Rinse with tepid clean water and dry with a soft cloth.

**Never use acid or abrasive cleaning materials.**

**Do not clean any plastic pieces with products containing alcohol, acetone or any disinfectants.**
